

Foodmax Clean S

High performance solvent cleaner

Description

Foodmax Clean S is a high performance food grade solvent cleaner for oil, grease and other contaminants.

The cleaner is rapid drying, without leaving any residues, provides limited sanitizing properties. Foodmax Clean S is Kosher, HALAL and NSF-K1 approved.

Applications

Foodmax Clean S can be used for general cleaning including on stainless steel and aluminum parts where residues and moisture have to be dissolved. This product works best at removing organic and oil based materials like lubricants, dirt

and filth. Suitable for cleaning all types of food processing equipment, open gears, slides, conveyors, dies, tools and bearings. Thanks to its powerful cleaning properties Foodmax Clean S is suitable for use in many industries, specially food and pharmaceutical.

Benefits

- Cleaner and degreaser
- Removes dirt and moisture
- Fast drying
- Leaves a residue-free surface
- Does not contain mineral components

Typical performance data

Appearance	Bright and Clear
Aromatic Content, wt%	<0.01
Bromine Index, mg/100g	<50
Color, Saybolt	+30
Density @ 15°C, Kg/m ³	750
Flash Point, °C	>40
Non Volatile Matter, g/m ³	<10
Sulfur Content, mg/kg	<1
NSF registration	153340
Kosher approved	Yes
Halal approved	Yes

Distillation

Distillation Range- Initial Boiling Point (IBP), °C	ASTM D-86	>153
Distillation Range (50% Boiling Point), °C	ASTM D-86	157-168
Distillation Range- Dry Point (DP), °C	ASTM D-86	<180
