

Performance Clean BC

Powerful cleaner and degreaser with high dissolving properties

Description

Performance Clean is an industrial cleaner and degreaser with high dissolving capacity. Matrix Performance Clean BC does not leave residues, is not conductive and non-corrosive. Rapidly removes oil, grease, brake fluid and other contaminants from parts. Ideal for industrial repairs and assemblies.

- Powerful jetspray
- Excellent dissolving properties
- Leaves no residue

Do not use on polished and plastic parts.

Applications

Acts as brake cleaner in automotive. In the industry, Performance Clean BC can be used on almost any other component as a general purpose degreaser and cleaner.

Benefits

- Non-conductive
- Non-corrosive
